

Medieval Reunion Chess Tournament

Play chess with six different people as follows:

Everyone starts as a **Peasant**.

You have not played any games yet.

To advance to **Squire**,
play someone with different parents.

To advance to **Knight**, be a Squire
and play someone with different grandparents.

To advance to **Countess** or **Earl**, be a Knight
and play another Knight.

To advance to **Duchess** or **Duke**, be a Countess or Earl
and play someone of a different gender.

To advance to **Princess** or **Prince**, be a Duchess or Duke
and play someone 20+ years different in age.

To advance to **Queen** or **King**, be a Princess or Prince
and play someone with a different last name.
